

LD 8288

MINIMALISM DOWN TO THE LAST DETAIL

The LD 8288 is a lighting solution that offers maximum design freedom with minimal visual impact. Thanks to its compact design, configurable connections and flexible LED configuration, it is particularly well suited to high-quality, mass-produced applications in furniture, kitchen and interior design. A well-thought-out solution for anyone looking to integrate lighting in a functional and unobtrusive way.

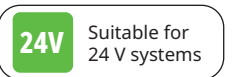

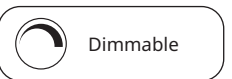

Easy installation with fixing brackets; also available with adhesive mounting on request. Cable outlet available in the center or on the side on request.
